

NRMCA Pervious Concrete Certification

Date: Thursday, September 21, 2017
 Time: 8:00 am – 3:00 pm

Location: **ARMCA Training Room**
3520 W 69th St., Ste. 303
Little Rock, AR 72209

Sponsored by: **AR Ready Mixed Concrete Association & National Ready Mixed Concrete Association**

Join the Arkansas Ready Mixed Concrete Association for a **review class and written certification exam** for pervious concrete. This certification has been developed by the National Ready Mix Concrete Association and is an important advantage for anyone interested in this rapidly expanding market. **Concrete Contractors and ready mix producers** are encouraged to attend the seminar to gain valuable technical information regarding this new pavement and achieve their certification.

Course Content: Fundamentals of Pervious Concrete
 Pervious Concrete Mixtures & Production
 Tools and Equipment
 General Design Principles of Pervious Pavements
 Pervious Concrete Construction
 Maintenance and Troubleshooting

Photo ID Required at Check-In

The session will be from **8:00 a.m. – 3:00 p.m.** Lunch will be provided for those attending the session.
